HOW TO USE THIS DIRECTORY

GENERAL: For more complete information about any individual listed in any section of this directory (such as home address and telephone, if available) see the INDEX OF LIBRARY PERSONNEL (described below).

REPORT ALL CHANGES IN DIRECTORY INFORMATION to the Library Development Division, Nevada State Library, Capitol Complex, Carson City, NV 89710. A list of directory changes will be published periodically during the year.

FIRST SECTION (WHITE): MISCELLANEOUS LISTS

The TABLE OF CONTENTS for this directory immediately follows these instructions.

The QUICK REFERENCE LISTING OF SELECTED LIBRARIES is divided into two sections: CITY, COUNTY, DISTRICT AND COMMUNITY LIBRARIES and SELECTED ACADEMIC AND SPECIAL LIBRARIES. Libraries in each section are listed in alphabetical order by name of library.

NEVADA STATE ADVISORY COUNCIL ON LIBRARIES lists council members with the expiration date of their terms.

FRIENDS OF THE LIBRARY ORGANIZATIONS lists active groups with the names of their presidents.

1981 NEVADA LIBRARY ASSOCIATION OFFICERS lists officers and chairpersons of districts, sections, interest groups and committees. The place and date of NLA's Annual Meeting is also included.

SIERRA LIBRARIES INFORMATION CONSORTIUM lists the members of this informal group of Nevada and California libraries in the Lake Tahoe area who participate in reciprocal borrowing and other cooperative activities.

SECOND SECTION: DIRECTORY OF LIBRARIES

GENERAL: Libraries in each of the three sections are listed alphabetically by the name of the city in which they are located. The listing for each library includes, where applicable, mailing address (and street address in parentheses, if different), telephone number(s), staff, board of trustees, advisory board, hours and revenue.

CITY, COUNTY, DISTRICT AND COMMUNITY LIBRARIES (YELLOW): Branch libraries are listed immediately following the headquarters library. Cross references are made from the name of the library (if it is different from the name of the city in which it is located), from the names of branch libraries, and from the cities in which branch libraries are located.

ACADEMIC AND SPECIAL LIBRARIES (WHITE): A list of libraries arranged alphabetically by name of library immediately precedes this section and refers the user to the city under which the library is listed.

SCHOOL LIBRARIES (Pink): Within each city, schools are arranged alphabetically by name of school, using the last name when schools are named for individuals.

OVER

NEVADA LIBRARY STATISTICS

STATISTICAL SUMMARY

EDITOR'S NOTE: NRS 378.080 (rev. 1971) states that one of the duties and responsibilities of the State Library is "To collect, compile and publish statistics and information concerning the operation of libraries in the state."

The following tables were compiled from report forms submitted by libraries to the Library Development Division of the Nevada State Library, modified by further consultation with librarians and other public officials, and from other sources as indicated in the footnotes.

Although library service does not consist only of circulating library materials, expenditures per item circulated has been used to reflect upon library efficiency, although statewide figures primarily show the impact of inflation on the cost of library operations. Circulations per volume may say something about how heavily the collections are used. While there are too many variables to produce useful figures for individual public libraries, the statewide figures are as follows:

	1978	1979	1980
Circulations per volume:	3.1	2.9	3.2
Expenditures per circulation:	$1.33	$1.68	$1.56

In all cases the year indicated in this SUMMARY (i.e. 1980) refers to the fiscal year (July 1 - June 30).

INDEX OF LIBRARY PERSONNEL

The index is an alphabetical listing of all names of library personnel and related persons that are found in the DIRECTORY. It is produced from a computerized data base. The format is as follows:

Line 1: Name
2: Position
3 & 4: Library
5: City of Library
6 & 7: Home address, or, if not available, work address (identified by (H) or (W)).
8. Work and home telephones, when available.

A double star (**) is used to fill in a line when no relevant information is available.

Information for the DIRECTORY was taken from forms returned by librarians to this office. It was indicated on the forms that home addresses and telephone numbers were optional in order to ensure privacy if desired. You are urged to report all changes in staff immediately, so that the DIRECTORY can be updated at regular intervals and can serve as a useful, dependable reference source.
